

CommunityHealth
FREE CLINIC

ANNUAL REPORT

JULY 2022
THROUGH
JUNE 2023

Faces of Gratitude

Community Health Free Clinic (CHFC) provides free medical, dental, vision, and prescription services to patients in our community who are uninsured or underinsured.

Since the COVID-19 Pandemic, many of our volunteers have had to take a leave of absence and have not yet been able to return.

With your support — as a donor or volunteer — we can continue to serve the uninsured and underinsured, and give our community hope that, together, we can make it through whatever crisis comes next.

Help us keep our community healthy and resilient. Make a donation or sign up to volunteer at communityhfc.org
Please contact Vicki at volunteer@communityhfc.org or 319.363.0416 for more information or to volunteer.

Volunteers Needed:

Medical Volunteers

- ARNPs
- EMTs
- Medical Doctors
- Medical Students
- Nurses
- PAs
- Pharmacists
- Pharmacy Techs

Non-Medical Volunteers

- Clerical Support
- Finance Background
- Fundraising
- IT Assistance

Compassion. Respect. Care.

Dear Friends & Supporters,

March 2024

“Without this organization, so many people would be left without the resources to get well and stay well.”

Those words were written by a young patient who discussed her recent experience at the Community Health Free Clinic. She is one of thousands of uninsured and underserved Eastern Iowans who received free prescription services, medical, dental and vision care from us last year.

In 2023, the Clinic faced a new set of challenges. The continuous enrollment provision of Medicaid, which was increased at the start of the pandemic, was unwound. This left many Iowans without health insurance and turning to us for their health care needs.

Through the years, we have provided these health care services free of charge:

	In 2023	Since 2002
• New Patient Visits:	1,864	60,906
• Total Services:	16,923	93,378
• Prescription Services:	Over \$6.6 million	Over \$56 million

Within this Impact Report, you’ll read more about the people and partners who made it all possible. Our staff, volunteers, donors, and community partners help us fulfill our mission. We couldn’t do it without them.

Please consider using the enclosed envelope to make a gift to our Clinic. Your generosity will ensure that we continue our good work for years to come.

In Friendship,

Our Clinic Community

Lawrencia Rogers

Several years ago, Lawrencia Rogers was a Cedar Rapids college student who didn't have health insurance. She also had Type 1 Diabetes and desperately needed assistance with supplies and medication.

But diabetes supplies, like insulin pumps, are extremely expensive. Lawrencia said she couldn't afford to manage diabetes on her own.

"The Community Health Free Clinic helped me adjust back to using syringes," said Lawrencia. "The Clinic supplied me with multiple types of insulin, a glucose monitor, testing strips and syringes. They met every need I had and did so until I was able to become insured again, over a year later."

Today, Lawrencia is healthy, employed and especially grateful for the Clinic's past help.

"The Clinic's assistance meant the world to me," she said. "Untreated diabetes is literally a matter of life or death. I sincerely don't know how I would have afforded medication without their help."

"Without this organization, so many people would be left without the resources to get well and stay well," she concluded. "Thank you for all you do!"

Maria and Sergio

"We appreciate you!"

Those were the words written by Cedar Rapids resident Maria Camarotti, after she and her son, Sergio, who has special needs, visited the Clinic in 2023.

"I would like to thank all of you who are part of this brilliant organization who believe in helping those who seek health and services," she wrote. "I'm extremely grateful for the support and care you gave my son Sergio when we visited the Clinic."

"Thank you to the amazing doctors, nurses, volunteer staff and care coordinators."

"YOU give us – and our Cedar Rapids community – hope for a better and safe, healthy world."

LaSalle Catholic Elementary

Students at LaSalle Catholic Elementary School in Cedar Rapids have made generous donations to Clinic patients for close to 20 years. The biannual donations usually include personal hygiene items in the spring and children's books in the fall.

A favorite among Clinic staff are the handmade bookmarks and messages that come with the supplies. Many thanks to these kind and creative kids!

Dr. Mohammad Naser Payvandi

After retiring from a career as a respected Cedar Rapids Cardiologist, Dr. Payvandi began to volunteer at the Community Health Free Clinic about three years ago. He says he started as a way to stay connected to patients and other physicians. But he soon discovered so much more.

“I heard the Clinic needed help, as many of my colleagues were volunteers,” said Dr. Payvandi. “I quickly started to really enjoy treating patients who desperately needed access to care – and anything I could do to help was incredibly meaningful.”

“I also can’t say enough about Darlene and the wonderful staff at the clinic,” he added. “They find ways to provide services and medication, even when it seems nearly impossible. I sincerely hope the community continues to value and support this incredible organization.”

St. Joseph’s Second Graders

St. Joseph’s Catholic School second grade teacher Barb Sullivan says the Marion school tries to incorporate giving in all that they do.

“We always look for ways to give our time, talent and treasure,” she said.

It’s the reason Mrs. Sullivan’s second grade class chose to raise money for the Community Health Free Clinic in the Fall of 2023.

“The students chose the Clinic because each of them has been sick,” said Mrs. Sullivan. “They understand the important work that doctors and nurses do, and how expensive medication can be.”

She said the first Friday of each month is known as the “Day of Giving.” When students arrive at school on this day, they bring money they’ve earned by doing extra tasks around the house. The money is collected in the main office and each class is responsible for choosing a recipient.

“The students thought it was pretty cool there was a place to go if people couldn’t afford health care,” said Mrs. Sullivan. “They want to help others.”

The Clinic is very grateful and thinks these young donors are pretty cool, too!

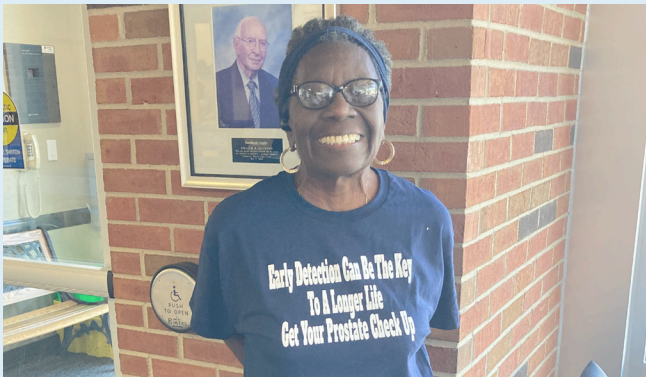

Our Community Partners

Free Prostate Cancer Screening Event

In September of 2023, the Community Health Free Clinic hosted a Free Prostate Cancer Screening Clinic. The event was held in conjunction with Mercy Medical Center, First Light Christian Fellowship and Project Health.

Melissa Dean, Director of Health Equity & Community Partnerships at Mercy Medical Center, said forty-three men were screened during the event and/or attended an educational session with Urologist Dr. Matthew Ferroni.

Volunteer Betty Johnson, who recruited community members to take part, said, "We have all collaborated for many years to address the health disparities of our underserved population. I loved the positive spirit and energy among the organizers and attendees."

Menstrual Product Drive

Seventh grader Briley Sellnau of Regis Middle School in Cedar Rapids chose the Community Health Free Clinic as the recipient of her service project in 2023. Her goal was to distribute feminine care products to female patients in need.

Briley gathered donations at her home and, with the help of her Mom, delivered them to the Clinic.

"It's estimated that 14% of women can't afford monthly menstrual supplies," said Briley. "I just wanted to do my part to help."

ARC Award for Clinic Workers

The Community Health Free Clinic was presented with an award from The Arc of East Central Iowa last summer as an outstanding non-profit in the employment field.

Arc Employment Specialist Tora Phelps says the Clinic was among the first local organizations to hire citizens with a disability.

The award was presented by Phelps to Clinic CEO Darlene Schmidt at The Arc's 70th Anniversary Open House in August.

Community Food Partners Help Feed Clinic Patients

The Community Health Free Clinic is fortunate to have two community partners who help feed our patients.

For the past two years, the HACAP (Hawkeye Area Community Action Program) Food Reservoir has delivered food boxes to Clinic patients who indicate a need during registration. The deliveries are based on HACAP's grant availability. HACAP says their goal is to help alleviate food insecurity by providing immediate access to quality foods.

Feed Iowa First, which happens to be one of our neighbors, started dropping off fresh produce bins when they had excess in their gardens. Their donations vary, depending on the season of the year and the abundance of their crops.

The Clinic is grateful to both these organizations for helping us care for those in our community who need it most.

How Far Does a Dollar Go?

\$3,500

Stock medications: Enough for one month.

\$750

Dental Care: The average cost of one dental procedure.

\$500

Eliquis: One month's worth of stroke prevention medication for one patient.

\$200

Eye Care: One eye exam and one pair of glasses.

\$100

Podiatry: One podiatry exam and basic treatment.

Your Generosity in Action

Financial Report Summary

Fiscal Year 7/1/2022 - 6/30/2023

Total Cash Receipts	\$910,449
Allocated From Reserves	\$71,924
	\$982,373
 Total Cash Disbursements	 \$982,373

Donated Services

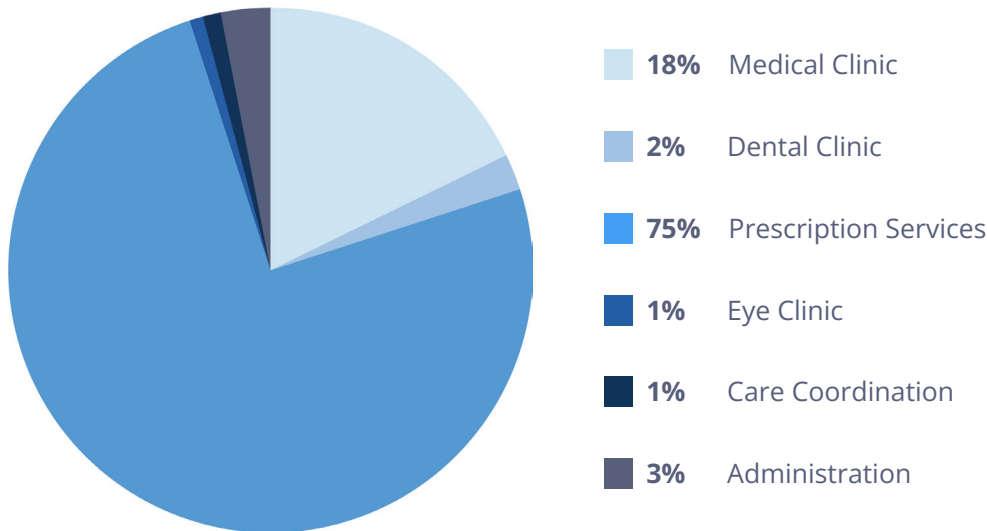

Donated Medications

\$4,186,452

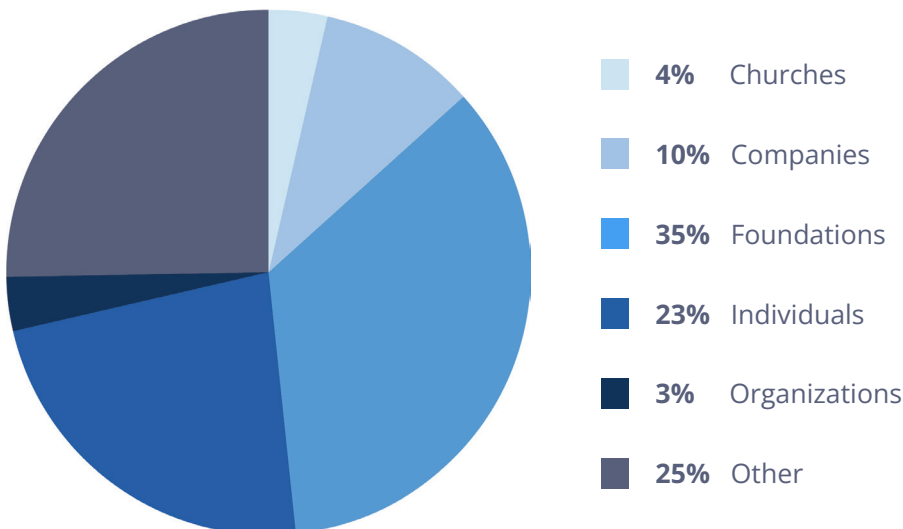

Donated Volunteer Hours

Professional and In-Kind Services	\$1,025,552
Non-Professional	\$86,560

Expenses by Program

Cash Receipts by Type

Founded in 2002, Community Health Free Clinic (CHFC) provides free medical, dental, vision and prescription services for community members without access to or the ability to pay for healthcare.

The ability to deliver compassionate care to all those in need — and to do so with respect, collaboration, stewardship, and education — guides the Clinic’s processes and programs. The Clinic is funded through the generosity of individuals, foundations, corporations, churches, and grants.

Cardiology, dental, family medicine, general care, in-house medication, internal medicine, optical, orthopedics, patient assistance programs, physical therapy, podiatry, prescription services, pulmonology, and the Senior Health Insurance Information Program are all services provided at the Clinic.

The People We Serve

4,348 unique patients were cared for in fiscal year 2023

1,593 new patients were served in fiscal year 2023

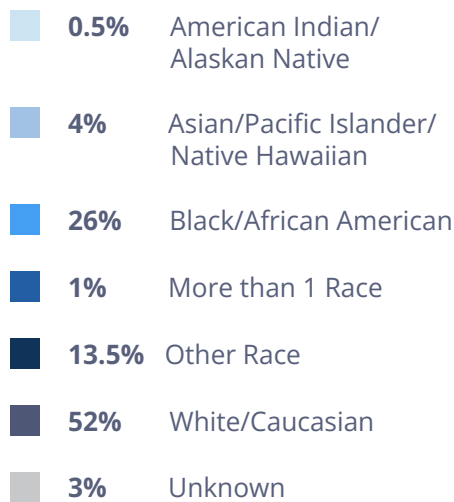

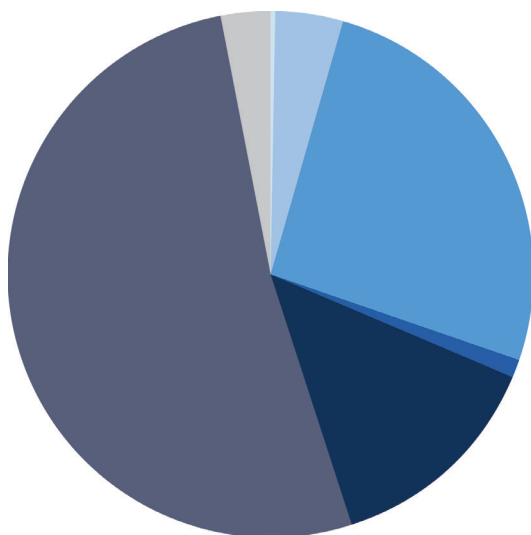

678 dental services were provided in fiscal year 2023

356 eye services were provided in fiscal year 2023

Arabic, English, French, and Spanish
are the Clinic's most commonly spoken languages

Patient Demographics

*Community Health Free Clinic transitioned to a more comprehensive patient record system in September 2022. The below patient demographics include all patients seen and are representative of 9/5/22 – 6/30/23.

12% of all patients
report Hispanic or
Latino ethnicity

In-Kind Donations

For the fiscal year of 2023, the **value** of all **donated services and materials** was **over \$5.3 million!**

Partners include:

Titanium \$500,000+

Jennifer Lopez, ARNP	8-29-2023		

Dr. David Rater

After more than 50 years of medical practice in Cedar Rapids – including 10 years at the Community Health Free Clinic – Dr. David Rater will retire this year.

Dr. Rater graduated from the University of Iowa Medical School in 1964. He began practicing cardiology in Cedar Rapids in 1972 and retired from UnityPoint Cardiology in December of 2014. He became a Clinic volunteer in 2015.

“The Clinic does a superior job of providing diagnosis and treatment for uninsured patients,” said Dr. Rater. “It’s been a privilege to work here.”

“In the future, continued support of the Clinic from local hospitals will be very important,” he added. “Electronic medical records using artificial intelligence will allow improved diagnosis and treatment.”

The Galbraith Schmidt Society

In 2009, Community Health Free Clinic established The Galbraith Schmidt Society to honor the individuals, families, businesses, and organizations who have made a gift of \$5,000 or greater to an endowment fund benefitting CHFC or have included CHFC as a beneficiary of their estate plan in the same amount.

Members of The Galbraith Schmidt Society are recognized in the Annual Report to the community, as well as on a display in the lobby of the clinic.

When making estate plans, please consider a gift to Community Health Free Clinic. Your financial planner or attorney can assist in determining the best option for you. If you have already included Community Health Free Clinic in your estate plan, we would like to include you as a part of The Galbraith Schmidt Society.

**Please contact Amy Johnson at 319.200.2547
or email Amy@CommunityHFC.org
EIN 13-4228071**

Please contact us by April 15, 2024, if you are interested in being inducted into the Galbraith Schmidt Society in the May 2024 Ceremony.

Dr. Mark Marz, DDS, At Large / Dental Clinic

Aimee Meardon-Orris, At Large / Human Resources

Jerry Tiedt, At Large / IT

Mission

To alleviate human pain and suffering by providing access to and delivery of compassionate healthcare.

Vision

A collaborative network of healthcare for all; connecting patients with providers and increasing access to medical homes.

Core Values

Healthcare Inability to pay should not prevent people from receiving health care.

Respect All persons deserve to be treated with dignity and respect.

Collaboration Community partnerships, volunteers, and paid staff are essential to accomplish our mission.

Stewardship Effective utilization of resources permits us to assist more people.

Education Promoting patient education and healthcare system awareness facilitates improved health and utilization of resources.

**Thank you for helping us keep our
community healthy and resilient.**

If any errors have been made in this document, please reach out to us. We greatly appreciate your time and generosity and will work to correct them on our website.
